More Solutions. More Mobility.

# Introducing the Bruno Out-Sider® Meridian™ Exterior Vehicle Lift... the Most Versatile, Fully-Automatic Outside Lift on the Market Today!

## Out-Sider Meridian Model ASL-250 features for both scooter and power chair versions:

- ◆ Exclusive, low-profile, compact design for maximum versatility.
- ◆ Lightweight, modular, robust design.
- ◆ Fully-automatic, keyed operation.
- ◆ Accommodates both scooters and power chairs.
- ◆ Drive on/off, aluminum platform; length adjustable with positioning trays.
- ◆ Perforated platform design for reduced wind resistance when driving in the UP position.
- ◆ Exclusive safety latch...prevents unintentional lowering.
- ◆ Lighted, license plate holder and 3rd-brake light provide additional safety.
- ◆ All stainless steel hardware means longer life.
- ◆ 225lb./102kg. rated-weight capacity.

## Power Chair Only Features

- ◆ Spacious, one-piece, aluminum platform for easy drive on/off.
- ◆ EZ-to-use, 3-point, exterior-grade power chair securement package.

## Safety is Our Number One Priority.

The Out-Sider Meridian Lift is designed for maximum safety. Because of our rigorous internal and external independent lab testing, we know the NEW, lightweight Out-Sider Meridian Lift can safely handle and transport our recommended weight capacity for sedans, minivans, SUVs, medium-size crossover vehicles, compact/midsize pickup trucks and full-size vans. Trust Bruno for *safety and reliability!*

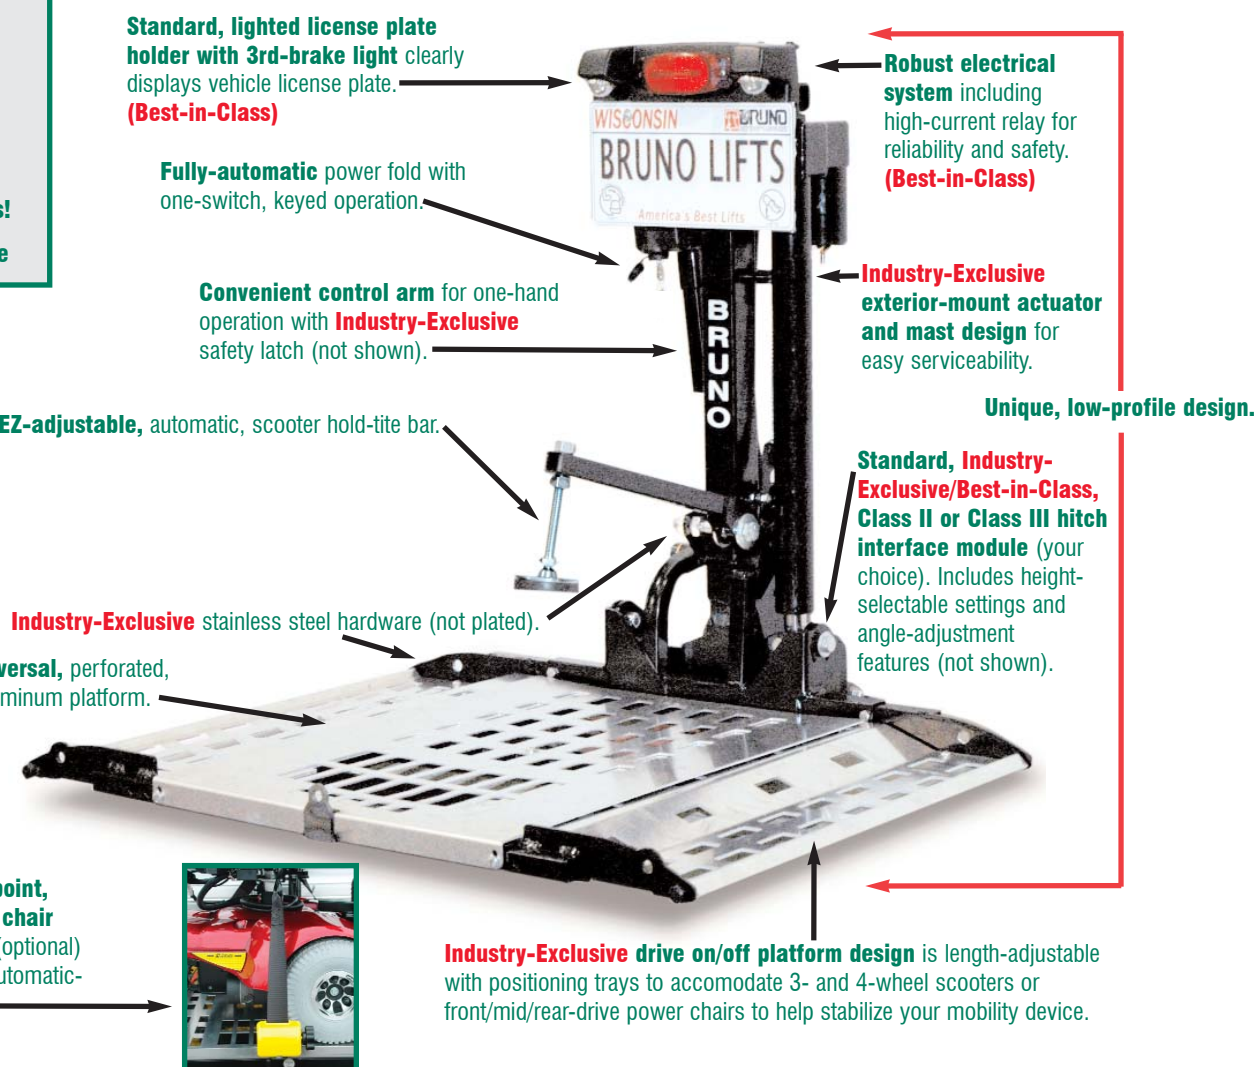

- ◆ Independent lab tested for:
  - ✓ Rough road conditions
  - ✓ 100,000-mile life
  - ✓ Environmental operating extremes
- ◆ Tested to three times rated-weight capacity for greater durability and safety.

Independent lab tested for rough road conditions!

# Why Choose a Bruno Out-Sider Meridian Vehicle Lift?

- ◆ Lightest-weight, robust design: 89 lbs.\*
- ◆ Modular design
- ◆ New Swing-Away™ compatible
- ◆ Fast, easy dealer installation – 2 bolts!
- ◆ Car wash compatible

**Standard, lighted license plate holder with 3rd-brake light** clearly displays vehicle license plate. **(Best-in-Class)**

**Fully-automatic** power fold with one-switch, keyed operation.

**Convenient control arm** for one-hand operation with **Industry-Exclusive** safety latch (not shown).

**Robust electrical system** including high-current relay for reliability and safety. **(Best-in-Class)**

**Industry-Exclusive exterior-mount actuator and mast design** for easy serviceability.

**Unique, low-profile design.**

**EZ-adjustable**, automatic, scooter hold-tite bar.

**Standard, Industry-Exclusive/Best-in-Class, Class II or Class III hitch interface module** (your choice). Includes height-selectable settings and angle-adjustment features (not shown).

**Industry-Exclusive** stainless steel hardware (not plated).

**Spacious, universal**, perforated, non-rusting aluminum platform.

**Industry-Exclusive 3-point, exterior-grade, power chair securement package** (optional) includes: color-keyed, automatic-tensioning safety belts.

**Industry-Exclusive drive on/off platform design** is length-adjustable with positioning trays to accommodate 3- and 4-wheel scooters or front/mid/rear-drive power chairs to help stabilize your mobility device.

## NEW! Optional, Lightweight Out-Sider® Swing-Away™ for Maximum Convenience and Performance!

Shown on Ford Freestar with Class III hitch receiver.

- ◆ Available in Class II (1.25") or Class III (2") hitch receiver models.
- ◆ Gives you easy access to the rear of your vehicle.
- ◆ Comes pre-wired for easy electrical connections. Mounting rails secure the wiring harness for reliability and ease of installation.
- ◆ Lightweight, robust, flex-free design with **Industry-Exclusive**, "weight compensation adjustment" feature.

Note: The Swing-Away can be easily added to your Out-Sider Meridian – even after initial purchase!

\*Does not include 10 lb. hitch receiver module or Swing-Away.

**Don't forget the Out-Sider® Micro Exterior Vehicle Lift – Model ASL-225...the Lowest-Cost, Lightest-Weight, Most-Simplified, Safest Outside Lift for Today's Popular Travel Scooters!**

- ◆ The Bruno Out-Sider® Micro Vehicle Lift complements our Bruno family of exterior Out-Sider Vehicle Lifts.
- ◆ It features an exclusive, low-profile design to minimize rear-vision obstruction.
- ◆ It installs on vehicles using a 1-1/4" Class I sport hitch or Class II receiver with a 12" or less ground-to-receiver clearance.
- ◆ It's designed to provide an **Industry-Leading** 145 lb./65.9 kg. lifting capacity.
- ◆ The convenient control arm, with our **Industry-Exclusive** safety latch, prevents unintentional lowering of the lift platform and lets you operate the lift from a safe distance.
- ◆ Automatic operation, with a gas-spring assist, provides easy fold/unfold of the lift platform.
- ◆ The EZ tie-down strap safely secures your travel scooter to the platform. It's easy to use and can be operated with one hand!
- ◆ Our exclusive "lift mast angle adjustment" allows the installer to nest the Out-Sider® Micro Lift tight against the rear of the vehicle.
- ◆ Plus, it's easy to install the Out-Sider Micro Vehicle Lift since it has fewer parts than any other outside lift...and it takes less than one hour to install.

**NEW! Optional  
BRUNO POW'RPAC**

**Pow'rPac option offers convenient operation independent of your vehicle's battery!**

*All Bruno Scooter, Wheelchair and Power Chair Lifts are eligible for reimbursement under the terms of the various mobility programs offered by GM, Saturn, Ford, Daimler Chrysler/Dodge, Toyota, Lexus, Volvo and Volkswagen. These programs provide cash assistance to the consumer for the purchase and installation of adaptive equipment. Benefits are available for leased vehicles as well as outright new automobile purchases. Contact Bruno Independent Living Aids, Inc.®, at 1-800-882-8183 for details and program literature.*
