

TECHNICAL SPECIFICATIONS

Lifting Capacity: 200 lb/91 kg

Vehicle Type: Hatchbacks, station wagons, sedans, SUV's, CUV's and full-size vans

The economical Space-Saver solves the problem of transporting a small scooter or wheelchair when you have limited trunk space or a hatchback. Assemble the lift, connect the docking device, push a button and the Space-Saver will automatically lift your mobility device. The take-apart Space-Saver works in almost any vehicle.

- Power raise/lower and manual rotation
- Take-apart lift disassembles when not in use if desired
- Lightweight components: heaviest piece is only 15 lb/7 kg
- Optional exterior hitch mount maximizes interior space for storage (Class II and Class III hitch version available)
- Docking device includes optional offset post that allows easier placement of mobility device in sloped hatch style vehicles
- Eligible for auto manufacturer rebate*
- 3-year limited warranty
